

Santander PGR Grants - Policy

January 2013

BU is working closely with Santander, who are committed to [supporting higher education](#).

As such, Santander are offering 10 x £2,000 grants for BU Postgraduate Researchers (PGRs) to travel to at least one university from either the [UK Santander Universities Network](#) or one of the [Overseas Santander Partner Universities](#) to undertake a specific piece of work and build or develop links with international researchers.

This call is open to applications from any BU PGR, irrespective of mode of study (full-time / part-time) or funding status (BU studentships / externally funded / self-funded). Awards made will cover only direct costs (travel; subsistence; training or development costs) and all applications will need to include a precise breakdown of costs.

Successful applicants will be expected to participate in general PR activities about their research. This may involve attending events and promoting the benefits of the funding.

To apply, complete the Santander Application Form 2012-13 and submit it by email to the Graduate School (email graduateschool@bournemouth.ac.uk).

The closing date for applications is **Friday 8th March 2013**. Applicants will be informed of the decision by the Graduate School, normally within four weeks of the deadline and **funds must be spent before 31 July 2013**.

Appeals should be made to the Graduate School Academic Manager (Dr Fiona Knight; email: fknight@bournemouth.ac.uk).
