(2): Funding calls of interest identified by colleagues:

A fortnightly list of funding calls is provided here, with updated notes on proposals for and progress with applications.

For this first meeting of 2013-14, an open agenda replaces the review of calls.

(3): Proactive / Other:

Here we record and disseminate colleagues' ideas for research & innovation work that is either for funding but not listed above, needs matching to a funding stream or is developmental and has other strategic value.

(4): Monitoring of CEMP Research & Innovation Activity:
