CANCER  
RESEARCH  
UK

## WHO IT'S FOR

This Award is aimed at researchers with between 8 and 14 years' post-doctoral experience, who are in a full-time post that is fully funded for the duration of the Award and have an excellent reputation in a cancer-relevant field.

## WHAT IT COVERS

This Award provides support for 6 years of research, up to a value of £1.5 million. This can be used to fund the salaries of postdoctoral researchers, technical staff and PhD students, plus associated running expenses and equipment.

## RESEARCH AREA

Applications can propose cancer-relevant research in any of the following areas:

- basic biology
- preclinical studies
- biomarkers
- imaging
- radiotherapy
- engineering and physical sciences

## DEADLINES

**The first funding decisions will be made in April 2015.**

➡ **Outline application:** 2 September 2014

➡ **Full application:** 1 December 2014

**Subsequent applications will be considered twice each year** – outline applications accepted in February and August.
