

Suggested research ontology for Bournemouth University (v3)

Level 1	Level 2	Level 3
Philosophy		
Psychology	Behaviourism	Applied behavioural analysis
	Biological psychology	Physiological psychology
Applied / experimental psychology	Cognitive psychology	Cognitive neuropsychology
		Cognitive neuroscience
	Consumer psychology	
	Counselling psychology	
	Developmental psychology	
	Ecological psychology	
	Educational psychology	Psychology of e-learning
	Environmental psychology	
	Forensic psychology	Legal psychology
	Genetic psychology	
	Health psychology	
	Human factors psychology	Ergonomics
		Human-computer interaction
		Cyberpsychology
	Humanistic psychology	
	Individual differences psychology	Personality
	Industrial and organisational psychology	Occupational psychology
	International and cross-cultural psychology	
	Mathematical psychology	
	Music psychology	
	Neuropsychology	
	Neuroscience	
	Parapsychology	
	Political psychology	
	Positive psychology	
	Psychology of aesthetics, creativity & the arts	
	Psychology of medicine	
	Psychology of religion	
	Psychometrics	
	Psychopharmacology and substance abuse	
	Psychophysics	
	Social psychology	Social cognition
	Sports psychology	
Ethics		
Religion		
Archaeology	Archaeological science	
	Archaeological theory	
	Antiquities	
	Marine archaeology	
	Prehistoric archaeology	
	Forensic archaeology	
	Bioarchaeology	
History	Ancient history	
	Medieval history	
	Modern history	
Geography	Aerial geography	
	Human geography	
	Travel and state	Sustainability
	Tourism	Marketing
		Economics
		Policy and Planning
		Strategic Management
		ICT
		Hospitality
		Retail and events
		Tourism human resources
	Geomorphology	
	Climatic geography	
	Natural disasters	
Environmental Sciences	Environmental management	
	Environmental education	
	Environmental policy	Population
	Ecology	Communities
		Temporal & spatial patterns
		Bioenergetics
	Behaviour	
	Parasitology	
	Taxonomy	
	Biodiversity	
	Climate change	
Anthropology	Human evolution	
	Human paleontology	
	Culture and cultural processes	
	Social change	
	Social organisation	
	Political organisation	
	Ethnic groups and races	

Level 1	Level 2	Level 3
	Bioanthropology	
	Forensic anthropology	
	Human variation	
	Evolutionary anthropology	
	Life history	
	Paleodiet	
	Migration	
Recreation and leisure	Recreation leadership	
	Recreational areas and facilities	
	Lifestyles and identities	
	Leisure management and marketing	
Sports	Sports events	
	Coaching	
	Sport science	
	Sociology of sport	
	Sport management	
	Sporting identities	
	Sport participation and experience	
	Physical activity	
	Wellbeing	
Social sciences	Methodology	
	Qualitative methodology	
	Quantitative methodology	
Business and management	Organisational behaviour	
	Corporate culture	
	Social responsibility of business	
	Risk management	
	Economic growth	
	Industrial relations	
	Crisis management	
	Marketing	
	Human resource management	
	Strategic management	
	Entrepreneurship	
	Cultural economics	
	Innovation studies	
	Management of technology	
Media and Communication	Creative industries	
	Media	
	Public relations	
	Interactive media	
	Journalism	
	Screenwriting	
	TV production	
	Radio	
Finance	Finance management	
	Taxation	
	Auditing	
	Corporate finance	
	Investment analysis	
	Corporate governance	
Sociology	Sociological theory	
	Social theory	
	Gender	
	Culture	
	Social control	
	Groups and organizations	
	Sexuality	
	Homosexuality	
	Social class	
Social work	Social policy	
	Self-help groups	
	Child abuse and protection	
	Adult abuse and protection	
	Mental health	
	Families	
	Welfare	
Political science		
Law	Jurisprudence	
	Comparative law	
	Intellectual property	
	Copyright	
	Environmental law	
	Criminal law	
	International law	
	Economic law	
	Corporate law	
	Commercial law	
	Competition law	
	Public law	
	Human rights	
	Law and economics	
	Socio-legal studies	
Education		

Level 1	Level 2	Level 3	
Arts	Design
